

The Michigan State University **CODE OF TEACHING RESPONSIBILITY**, which is stated in the Academic Programs book, holds all instructors to certain obligations: course content consistent with approved descriptions, timely statement of course objectives and grading criteria, regular class attendance, published office hours, and timely return of examinations and term papers.

It is the policy of MSU to keep faculty members' SIRS ratings confidential to the extent possible. However, certain SIRS ratings may be subject to disclosure under state or federal law.

O-22011

Form adopted 1/26/93

4. Would you recommend this instructor to another student? Explain.

yes, puts everything in a simple format. Does a good job of breaking down material and explaining step-by-step.

4. Would you recommend this instructor to another student? Explain.

Yes, because he makes even calc 2 fun to learn with his hilarious comments during class

4. Would you recommend this instructor to another student? Explain.

Yes. Out of the math profs I have had and those I have heard about, Blok is very good compared to most. He is organized, explains things well, is willing to answer questions, and has a good sense of humor that keeps me awake, which is hard to do in math. The only thing that's a little sketchy is his grading scale and how he factored the Gateways in.

4. Would you recommend this instructor to another student? Explain.

Yes, Dr. Blok is one of the best profs I have ever had. His willingness to help students outside of class is second to none.

4. Would you recommend this instructor to another student? Explain.

Yes, Blok is always prepared, he knows what he is talking about, and he is always willing to answer questions.

4. Would you recommend this instructor to another student? Explain.

Yes, I would recommend Rieuwert to another student due to his availability to help outside of the classroom and also because of the excellent job he does organizing the course.

4. Would you recommend this instructor to another student? Explain.

I would recommend him because he is very respectful and lenient towards the hectic life of a student.

4. Would you recommend this instructor to another student? Explain.

Yes, compared to my last calc 2 prof, this guy is amazing.

4. Would you recommend this instructor to another student? Explain.

Yes, as I believe he may be the best Calc II instructor available.

4. Would you recommend this instructor to another student? Explain.

yes - Rivnat was very helpful as well as easy to understand. He relates well with students and has an excellent ability to explain course material in a difficult subject.

4. Would you recommend this instructor to another student? Explain.

Yes, I would preach and insist that others take a course with Dr. Blok. For two reasons, He does not put up a wall or make a distinction between student and teacher. From experience it is his genuine will to help the students learn.

4. Would you recommend this instructor to another student? Explain.

Yes, Prof. Block is himself interested in that which he teaches and thus approaches the material with an eagerness for his students to learn and an enthusiasm to arouse interest.

4. Would you recommend this instructor to another student? Explain.

Yes, he was easy to understand  
 $\frac{1}{2}$  very organized in his lecture notes.

4. Would you recommend this instructor to another student? Explain.

yes, he is very nice, understanding, organized, and a good teacher.

4. Would you recommend this instructor to another student? Explain.

Yes. He obviously knows a lot about math and he is very enthusiastic about it. He is also very willing to help.

4. Would you recommend this instructor to another student? Explain.

Yes, because he is very nice and friendly and willing to help the students. He also knows his math and can teach it well. He always comes ready, organized, and prepared. He does his job well.

4. Would you recommend this instructor to another student? Explain.

I'm enrolled in his 320 class, and would certainly recommend Blok. Blok rocks! I liked the bad math jokes too.

4. Would you recommend this instructor to another student? Explain.

Yes, he was very willing to help us and fair when grading.

He was one of the best math professors that I have had at MSU.

4. Would you recommend this instructor to another student? Explain.

Definitely,

He explains everything in great detail, and is concerned about his students.

4. Would you recommend this instructor to another student? Explain.

Yes. He takes time in explaining things and is always willing to help. He gives plenty of examples and the lessons are relatively easy to follow.

4. Would you recommend this instructor to another student? Explain.

Yes I could recommend him. He does a good job explaining everything and not assuming that people know what's going on. He has a good sense of humor and was always in a good mood and kept the class very relaxed. It was fun to take.

4. Would you recommend this instructor to another student? Explain.

From what I have heard he is the best instructor

4. Would you recommend this instructor to another student? Explain.

Yes, I already recommended this instructor to other students because of his great teaching technique & his desire to help students and make the course challenging but at the same time help students go through this challenge.

4. Would you recommend this instructor to another student? Explain.

Yes I would. Dr. Blok is a very good instructor, he explains concepts well, and goes out of his way to make sure you understand it. Another bonus is that he speaks English very well. Dr. Blok is the best Professor I have had thus far.

4. Would you recommend this instructor to another student? Explain.

Absolutely. This guy is the best MSU teacher I've ever had. He really helped us understand the course. Best calc 2 prof!

4. Would you recommend this instructor to another student? Explain.

yes - I already have.
